

Any organization can become a non-dues-paying and non-voting Affiliate Member of the Coalition. Our Affiliate Members represent advocates from all over the country from diverse backgrounds including knowledge workers, researchers, educators, scientists, engineers, technicians, and representatives from the business community. Affiliate members are listed on our website and will receive period communications from the Coalition on policy matters.

In order to join our Coalition as an affiliate member, please email <u>info@stemedcoalition.org</u> with the completed information below and attach your organization's logo if you wish to have it displayed on the website.
